DIGITAL LITERACY AWARENESS INFOGRAPIC

WHAT IS DIGITAL LITERACY

Digital literacy is the ability to effectively and responsibly use digital technologies—like computers, smartphones, the internet, and software—to find, evaluate, create, and communicate information.

Email Etiquette

1. Email etiquette refers to the proper and polite way of writing emails.
2. A clear and relevant subject line should always be used.
3. Emails should begin with a respectful greeting and end with a proper closing.
4. The message should be short, clear, and to the point.
5. Proper grammar and spelling must be checked before sending.
6. One should maintain a polite and professional tone in all emails.

Safe Internet Practices

1. Safe internet practices help protect personal information online.
2. Use strong and unique passwords for all accounts.
3. Avoid clicking on suspicious links or unknown emails.
4. Do not share personal details on unsafe websites or social media.
5. Always use secure websites with HTTPS for browsing.
6. Keep your devices and software updated for better security.
